To,

Whomsoever it may concern.

Sub: Internship for Project / Assignment work

This is to certify that Ms. Swarali Shirish Paygude, a student of TY BTech. Computer science engineering at MIT WPU, Pune, worked as an intern with our organization during the period of 24th February 2020 to 24th May 2020. She worked for around 40 hours every week on her project.

During this period, she worked on experiments in the AI – Expert Systems related areas. She was part of the team that was developing an AI based model for predictors using text mining techniques. This was being developed in Java and deployed on AWS cloud. Her work involved coding, integration and testing. She demonstrated sincerity and diligence in his work.

We wish her success in all future endeavours.
